

TRANSPERFECT LEGAL SOLUTIONS

CASE INTERACTIVE: Web-Based Review Platform for Secure Online Collaboration

For over 16 years, TLS has been providing leading online collaboration technology to the world's top legal professionals.

Why TLS?

Because we have a reputation for delivering exactly what we promise: smart solutions backed by an innovative approach and the highest level of client service. From data collection to document production, TLS is a one-stop-shop for all your legal technology needs.

“TransPerfect has conducted hundreds of projects for Weil Gotshal and consistently exceeds our expectations with respect to both accuracy and turnaround time. The broad range of legal support services they offer makes them a valued partner to our firm.”

– Weil Gotshal & Manges LLP

CASE INTERACTIVE: AN INTELLIGENT SOLUTION

Our proprietary online review platform, TransPerfect Case Interactive, enables you to securely host and access litigation documents – such as current pleadings, correspondence, and other case-related material – on the web, streamlining the due diligence process. With a user-friendly design, optimized technology for high-speed document reviews, and a range of customizable features, Case Interactive is the simple, effective solution for litigation professionals.

KEY FEATURES

- **Speed:** Highly optimized: One million documents can be accessed by one thousand users within one second (1-1-1 system).
- **Fully Unicode Compliant:** Supports all character-based languages in virtually any file format.
- **Web-Based Platform:** Highly intuitive Web 2.0 application that runs on any browser.
- **Zero-Install PDF Viewer:** Review and redact PDF files directly in your browser.
- **Universal Document Display:** Review over 300 native file formats with our Outside-In™ viewer.
- **Simple Document Translation:** Upload and track translation projects via a secure web interface quickly and accurately from a single location.
- **Automatic Metadata Extraction:** Metadata can be automatically extracted from MS Office documents and other popular file formats.
- **Advanced Search:** Save time with state-of-the-art searching technology, including the highlighting of hit terms across virtually all file types.
- **Parent/Child Navigation:** Efficiently navigate from one parent record to the next.
- **Security:** Case Interactive 8.0 is hosted in a SAS 70 Level II certified facility and encrypted with multiple layers of security and audit controls.
- **24/7/365 Support:** Rely on a global support team with an average call resolution time of under three minutes.

DEDICATION YOU CAN TRUST

For over 16 years, TransPerfect Legal Solutions (TLS) has been a trusted name in legal support services for every member of the Global 100 and Am Law 200. We bring that same level of commitment to client service and unparalleled expertise to provide you with the most cutting-edge online collaboration technology on the market. Our dedicated account managers and technical specialists are available around the clock to meet your every need.
