The TLS Solution

At TransPerfect Legal Solutions (TLS), we combine more than 16 years’ experience with unparalleled global resources to provide the most cost-effective and reliable solutions in the industry. Each client receives a dedicated account manager – available 24/7/365 – who will work with you to develop a customized solution for your organization. From 30(b)(6) depositions to courtroom hearings, we provide exceptional end-to-end solutions for the life cycle of your case, ensuring consistency and reducing outsourcing costs.

Cutting Edge Services

- **Standard and Real-Time Court Reporting:** TLS provides comprehensive real-time reporting services, including local or remote internet participation during depositions. And to ensure the highest quality results, our court reporters have at least 5 years of experience.
- **Multimedia Services:** TLS offers certified videographers, videoconferencing, video/text synchronization, and accident reconstruction. Videos can also be downloaded to your firm’s in-house software for trial preparation.
- **Online Hosting:** Electronic transcripts are instantly accessible via our secure online platform, **Case Interactive**, along with one-click access to hyperlinked exhibits—anywhere, anytime.
- **Conference Rooms:** With a tremendous worldwide presence, we are also able to provide local, accessible conference spaces for depositions or meetings in any setting that you require.

Our Commitment to You

In depositions, as well as courtroom hearings and arbitrations, it is essential that you have accurate, reliable resources the moment you need them. TLS’s court reporting team is committed to ensuring that your needs are met in the fastest, most effective manner possible. In fact, with 18 global production centers and round-the-clock client service, we are able to offer turnaround times on transcripts that are 30% faster than our competitors’. Turn to TLS for your next case and receive the highest quality litigation support from a provider you can trust.
