

TRANSPERFECT LEGAL SOLUTIONS

INTERPRETATION SERVICES: Meeting All Your Interpretation Needs In Over 100 Languages

UNPARALLELED EXPERTISE

TLS is the global leader in providing the highest quality interpretation services. Accurate interpretation requires that the interpreter select the right word for a spoken translation instantly—with no opportunity to edit.

When an interpreter must also adhere to stringent legal regulations, those decisions can have a critical impact on your success.

Select TLS to give you the confidence and results that you deserve.

“We asked a great deal of you under very tight and trying conditions and you delivered wonderfully.”

— Kaye Scholer LLP

The TLS Solution

Whether you require simultaneous interpretation (for courtroom assistance), consecutive interpretation (for depositions or meetings), or over-the-phone interpretation (for asylum and pro bono cases), our client service professionals are ready to provide you with the most skilled and proficient legal interpreters in the industry.

Cutting Edge Services

We have partnered with every Am Law 200 and Global 100 firm as well as the majority of the Fortune 500 corporate legal departments. These professionals trust TransPerfect Legal Solutions (TLS) because we deliver exactly what we promise: high-quality results and superior client service. From interpreting for the President of the United States to coordinating on-site linguists for overseas depositions, we have the experience and dedication to meet your needs on any timetable.

Here is just a sample of our value-added services and credentials:

- A global network of rigorously selected and certified linguists
- Interpreters with in-depth knowledge of judicial terminology and high proficiency in both native and non-native language
- State-of-the-art interpreting equipment
- Conference rooms
- 24/7/365 client service

Partnering with You

TLS strives to build personalized relationships with each of our clients. We provide a dedicated client service representative to act as a single point of contact to streamline communications and to offer customized solutions for your project requirements.
